

Publications

Freedom of Information

Workplace Injury Commission

WIC produces a small number of publications. These include:

- Annual Report
- Service Charter
- Gender Equality Action Plan
- Fact sheets, Guides and Codes of Conduct for conciliation and arbitration.

Most publications are available from our website, listed under [Resources](#).

If it is not possible to supply a publication as a downloadable file, WIC will provide alternate means of obtaining a copy of the publication.

Information specified by the Standing Directions of the Minister for Finance is available on request to relevant ministers, Members of Parliament and the public (subject to Freedom of Information requirements, if applicable).
